## *A Brief History of Government Islamia Graduate College Civil Lines, Lahore*

**T**racing the history of Islamia Graduate College, Civil Lines involves presenting illustrious educational chronicles of two highly influential educational movements of their times.

The Anjuman Hamayat- e- Islam, under its first president, Qazi Muhammad Hamid-ud-Din established few schools (Madaaris) famously known as Madrassat-ul-Muslimeen with the aim to provide education to Muslim children. In October 1886, a primary school on the same analogy was established having capacity of only 30 students which kept on shifting from one place to the other including Tavela Shah Nawaz,

Haveli Sikandar Khan, Haveli Dhayan Singh and eventually found its way to Sheranwala Gate. The school was upgraded to Middle in 1888, Secondary in 1889 and College (intermediate level) in 1892. In 1896 Islamia College was affiliated with the Punjab University, Lahore and the first graduate program was offered matching the turn of the century. It was at that time the only arts college in Punjab affiliated with the Punjab University, Lahore. In 1906, the Anjuman with the contributions of local Muslim philanthropists and funds raised by the Islamia College students procured 50 kanal land between Brandreth and Railway Road, Lahore for the establishment of College Campus and hostel and the dream came true in 1914 in shape of a graceful block of buildings known today as Govt. Islamia Graduate College, Railway Road, Lahore.

Allama Muhammad Iqbal and many other Muslim leaders expressed their desire that this college is shifted to some spacious site.

In 1947, just after the partition, when almost all the local population of Hindus migrated to India, and massive Muslim migration brought hundreds of thousands of distressed people to Lahore. During those times of great trial, the building of DAV College housed hundreds of homeless Muslim immigrants from all over India.

### DAV

#### (Dayanand Anglo Vedic College):

Arya Samaj movement which established DAV (Dayanand Anglo Vedic) School in the present building on June 1st, 1886. The school was named after the founder of Arya Samaj Movement, the prominent Hindu social worker Dayanand Sarasvati. Many prominent Lahore philanthropists of the late 19th century generously contributed towards the construction of the grand building of the school. Every building contains list of people who contributed in the construction of that specific block. Sir Ganga Ram and Bhai Ram Singh conceived its architecture design as per

academic needs and reflecting pure Indian, Gothic & Mughal's style.

In just two years DAV School was upgraded. Intermediate classes started in 1888 and the name was changed to DAV College. In 1892 the college offered its first Bachelors program and in the next three years, in 1895 the MA program was also offered. Major subjects taught at that time were English Literature, Sanskrit, Persian, History, Philosophy,

Mathematics, Physics and Chemistry.

When the migrants were rehabilitated elsewhere, in half of the building, Licentiate State Medical School faculty( LSMF)- School was established. The other half of the DAV College building was handed over to 'Taleem ul Islam College' which was later moved to Rabwa in 1954.

#### A Dream That Came True:

A dream of Allama Iqbal and other Muslim leaders came true when the Anjuman- e- Himayat e Islam, the largest charity and welfare organization of its times, acquired a part of the campus for establishment of Islamia College, Lahore offering to renovate it. The Anjuman shifted its BA and MA classes to this campus under the name, Islamia College. When Licentiate State Medical Faculty School (LSMF) School was moved to Bahawalpur in 1955, the complete block and building were handed over to Anjuman- e- Himayat Islam. So, during the period 1954 to 1958, intermediate classes were held at Islamia College, Railway Road, Lahore. However, BA and MA classes were held at Islamia

College, Civil Lines. Both campuses were administered by the same Principal.

### **Independent Status:**

In 1958, the Anjuman decided to grant independent status to the Civil Lines Campus of Islamia College and renowned scholar Prof. Hameed Ahmad Khan was appointed its first Principal on 01st May 1958. It was decided that intermediate classes would continue at Islamia College Railway Road campus and Degree/ Postgraduate classes commence at the newly established Islamia College Civil Lines Lahore; the intermediate classes were subsequently started at Islamia College Civil Lines Lahore in 1965 and achieved the status of imparting education from intermediate to postgraduate level. Beside equipping the youth with high quality education, the college also explored new avenues of co-curricular activities. Consequently, the college remained a rich source of talented sportsmen in all major sports like hockey, cricket, boxing, athletics and football.

The college is presently going through its important phase that started over 50 years ago as a result of the policy of nationalization in 1972, when all private educational institutions were nationalized. Consequently, Islamia College became Government Islamia College, Civil Lines and has been run, since then, by the Ministry of Education, the Government of the Punjab.

These 50 years witnessed further growth both in the

number of students and on campus buildings to house those large numbers of students. On 7th May 1990 a new Science Block was built to accommodate growing number of science students. On April 22, 1996 another one the Computer Block was established. Since the hostel lodging facility was under enormous pressure, a three story new block of students' hostel residences was built in 1998. Being a college of exhibiting of high academic performance, Govt. Islamia College, Civil Lines has always been under tremendous pressure to accommodate maximum number of students in various courses. To meet the growing need for rooms, the government established a PostGraduate Block in 2007. Now, another spacious academic block was completed and made functional for academic activities. In 2021, Govt. of the Punjab, Higher Education Department categorized colleges all over the Punjab in terms of the programs/ degrees and this College was designated as Govt. Islamia Graduate College, Civil Lines, Lahore.

This is indeed a very brief introduction to a place blossoming with history and tradition. The human effort that went a long way to contribute to the betterment of this alma mater of distinction deserves a much larger mention and appreciation. The rooms, halls and corridors of this magnificent campus have seen probably hundreds of tireless teachers becoming role models for fresh and highly receptive youthful minds.

# SEMESTER RULES

## BS 4 YEARS PROGRAMMES

### TOTAL PERIOD OF STUDY

The normal duration of a 4-year bachelor (BS) program is four years. Each academic year consists of two semesters.

### SCHEDULE OF SEMESTERS

- Each semester will be of 17 working weeks - 16 weeks for teaching and one week for Mid Semester Examinations. Final Examinations will be conducted by University of the Punjab at the end of each semester. Schedule (date sheet) of final examinations will be issued by Controller of Examinations, University of the Punjab.

### CREDITS REQUIREMENTS FOR A DEGREE PROGRAMME

- A minimum 124 -136 credit hours (see 4 below for definition) are required for the 4 years degree programs. The said credits will normally be earned in eight semesters.
- A course may range from one credit hour to four credit hours.
- One credit hour stands for at least one hour class contact per week per semester. For practical/laboratory work 3 hours

will be considered equivalent to one credit hour.

- Six (06) credit hours research project (dissertation) / project report / internship / special paper will be offered in the fourth year/7th semester.

### CLASS ATTENDANCE

- A student must have attended at least 75% of the classes held in a course in order to be allowed to sit in the final examination.
- In case the student remains absent from the class for seven consecutive days without leave his name will be stuck off from the college rolls.

### COURSE EVALUATION, COURSE GRADE, AND GRADE DISTRIBUTION

Students will be evaluated on the basis of two examinations, called Mid Semester Examination and Final Examination, homework, quizzes, assignments, presentations, etc. These evaluation instruments and their percentage weight of a grade are given below:

Evaluation Instrument	Percentage Weight
1. Sessional (Quizzes, assignments, presentations, etc)	15%
2. Mid Semester Examination	25%
3. Final Examination	60%

## EVALUATION SYSTEM

1. The course teacher is responsible for the evaluation of work/performance of the students of his class and for the award of grades to them on the basis of such evaluation.

- The number and nature of tests and assignments depends on the nature of course. To pass a course, a student must obtain 50% marks (i.e., 'D' grade) cumulative in Mid Semester Examination, Sessional Work, and Final Examination.
- There will be no choice in questions in the mid semester and final examination papers.
- The scripts of each activity, i.e., Mid Semester Examination, homework, quiz etc. will be shown to the students concerned by the teachers within one week, taken back immediately in accordance with the announced schedule along with the examination schedule.
- In case a student is not satisfied with his award even after checking his answer book, or clarification from the teacher, he may make written complaint to Principal/Coordinator within two weeks of the end of Mid Semester Examinations. The Principal/Coordinator will refer his case to the Examination Committee of the Department/College.

The Mid Semester Examinations will be conducted only one time after eight weeks of the commencement of the semester. The final examination will be conducted according to the schedule (i.e., date sheet) announced by University of the Punjab.

- The duration of the examinations will be as follows:
  - a. Mid Semester Examination: One hour
  - b. Final Semester Examination: Three hours
  - c. Practical Examination (where applicable): 2-3 hours
- Examinations will be held on consecutive days excluding holidays. Examinations for theory and practical (i.e., lab) of a course will be held on the same day. The schedule (i.e., date sheet) of the Mid Semester Examinations will be displayed on the notice board by the college administration well in time.
- Home assignments will be submitted to the teacher concerned as scheduled by the concerned teacher.

## GRADING SYSTEM

1. Letter grading should only be used for representing the individual courses and not for semester GPA or CGPA.
2. Equivalence in numerical grades, letter grades and grade points will be as follows:

Percent Marks	Letter Grade	Grade Point
85 & above	A	4.00
80-84	A-	3.70

75-79	B+	3.30
70-74	B	3.00
65-69	B-	2.70
61-64	C+	2.30
58-60	C	2.00
55-57	C-	1.70
50-54	D	1.00
Below 50	F	0.00
Withdrawal	W	

1. Maximum possible Grade Point Average is 4.00.
2. Minimum Cumulative Grade Point Average for obtaining a 4-year BS degree is 2.00.
3. A fraction of mark in a course is to be counted as '1' mark e.g. 64.1 or 64.9 is to be shown as 65.
4. Letter Grade and Grade Point for a course will be calculated according to the above table.

### Example:

Examination	Weightage	Marks Obtained
Mid Semester	25%	8.0
Assignment	15%	8.4
Final Examination	60%	55.0
Total:	100%	71.4

- The score will be rounded to 72.
- Letter Grade in this case will be 'B'
- Grade Point in this case will be 3.00

### 5. Calculation of Grade Point Average (GPA) for a Semester.

In order to calculate the GPA, multiply Grade Point with the Credit Hours in each Course to obtain total grade points, add up to cumulative Grade Points and divide by the total number of Credit Hours to get the GPA for the Semester.

#### Example No.1: Courses with equal credit hours

##### Course Grades

Course No.	Credit Hours	Grade	Grade Point	Total Grade	Points
231	3	B	3.00	(3.00x3)	9.00
234	3	C+	2.30	(2.30x3)	6.90
247	3	A	4.00	(4.00x3)	12.00
250	3	A-	3.70	(3.70x3)	11.10
271	3	F	Zero	(0.00x3)	00.00
Cumulative Grade Points		39.00			
Total Credit Hours		15			
Grade Point Average		2.60			

#### Example No.2: Courses with unequal credit hours

##### Course Grades

Course No.	Credit Hours	Grade	Grade Point	Total Grade	Points
310	4	B	3.00	(3.00x4)	12.00
311	3	A-	3.70	(3.70x3)	11.10
312	4	C+	2.30	(2.30x4)	09.20
550	2	A	4.00	(4.00x2)	08.00
375	2	C	2.00	(2.00x2)	04.00
Cumulative Grade Points		44.30			
Total Credit Hours		15			
Grade Point Average		2.94			

Course with 'F' grade will be counted as 'Zero' Grade Point for calculation of semester Grade Point Average. Calculation of cumulative grade point average will only be made when a candidate has passed all the courses required for the award of degree.

1. Only the course number, course title, course credit hours, percentage marks in a course, course grade, semester GPAs, overall percentage marks in the degree, and CGPA will be reported on the transcripts.

### **PROMOTION RULES**

1. A student must obtain a minimum Cumulative Grade Point Average (CGPA) of 2.00 at the end of each semester for promotion to the next semester.
